General Proficiency Testing Information

Study Shipping Date: **August 24, 2020**

Study Deadline: **September 25, 2020**

Web Data Entry: www.ptcanada.org

Instructions: www.ptcanada.org

General Notes

1. The password for web-data-entry system is indicated in the top left corner of this page. Log in to print reports for the analytes to be reported.
2. PT results must be reported in the units indicated, using the PT Canada web-data-entry system by midnight of the study deadline. Failure to report results by this time will be treated as an unacceptable PT.
3. Provide information on results, method and date analyzed.
4. Provide name and telephone number of laboratory contact.
5. PT samples must be treated with the same effort and workflow as the majority of client samples.
6. Collusion or falsification of PT study data will result in withdrawal of PT recognition.
